 - Member's name, Medicaid identification number and date of birth
 - Provider's Federal Tax I.D. number (TIN)
 - National Provider Identifier (NPI)

 - It's complete - you get feedback that your claim was received by the payer
 - It's cost-efficient - you eliminate mailing costs, the solutions are free or low-cost
- You may use any clearinghouse vendor to submit claims
- Payer ID for submitting claims is 87726
- Additional information regarding EDI is available on UHCCommunityplan.com

Claims submission option 2: hardcopy

- Paper claims submitted via U.S. Postal Service should be mailed to:

**Optum Behavioral Health
P.O. Box 30760
Salt Lake City, UT 84130-0760**

- Appeals submitted via U.S. Postal Service should be mailed to:

- Claims payments made by electronic funds transfer (EFT) from health plans are deposited directly to your designated bank. You may be paid five to seven days faster than if you received paper checks by mail.
- Claims information is posted online one business day prior to the bank deposit, so you always know what's coming. We also email you once a day when claims payments have been made.
- Electronic remittance advices (ERAs) are posted three to five days faster than mailed information, too. This lets you identify patient responsibility for care sooner.
- Unique payment identifier — EFTs and ERAs are tied together with a unique payment identification number to make reconciliation faster and easier.
- Claims payment histories are available and searchable on our website for up to 13 months.
- You can work faster by requesting bundles of remittance data for date periods and payers you specify.
